

To Whom It May Concern:

The Northwest Flyers Track Club requests your support as a sponsor for the 2017 season. Our Track and Cross Country club, which is local affiliate of USA Track & Field (USATF), was established in 1987 by Olympic Gold medalist and Houston area resident Fred Newhouse. Our membership includes boys and girls ages 6-18 from the Northwest Houston area. The mission of the club is to provide long-term opportunities to young athletes through their association with the sport of Track and Field and Cross Country. By teaching our youth teamwork, competitiveness, discipline and mutual respect we believe we are preparing productive citizens for tomorrow.

Since inception, 30 years ago, over 3000 youth from greater Northwest Houston have participated in our program. Almost one-third of these young people achieved the honor of qualifying and competing in the State Regional Championships and/or the US Junior Olympics. Ninety-eight (98%) percent of our young people have gone on to college, many receiving academic and/or athletic scholarships. Although our youth development philosophy is balanced and not obsessed with winning, we have had more than our share of victories.
